

Wednesday, 18<sup>th</sup> January 2023

Dear parents,

I hope you are all well and you were able to enjoy spending time with your family.

In these challenging times we are all adapting to new ways of working and I thank you for the time you are taking to support your child's wellbeing and learning, whilst juggling the many other responsibilities you have.

Please find attached some suggestions of activities that can be completed by your child and some useful links for home learning.

We would love to see the work the children are completing at home, so please feel free to send photos of their work to my email address or to upload it on Seesaw.

Kind regards

Mrs Mihai
