Fill in the missing words

The cross is the _____ of Christianity.

The country _____ is in the continent Africa.

The Ancient Egyptians are famous for building the _____.

I like to read _____ books.

Today wasn't a _____ working day.

Now write your own sentences using

1. Symbol 2. Egypt 3. Pyramids 4. Mystery 5. Typical

Write 1 – 2 paragraphs about your unusual creature you created, joining Barnabus on his escape mission.

I would like to see inverted commas, apostrophes for contraction and exciting language. Below is the story we wrote as a class. Use this as your “what a good one looks like”. Remember a story is not just speech. You need to include details such as setting the scene and what is happening.

I look forward to reading your stories about your unusual creatures joining Barnabus on his adventure.

At midnight, the failed pets made the decision to escape. "Do you have any ideas, Barnabus?" asked the failed pets. Barnabus thought about ways they could escape their bell-jars. After a while Barnabus pushed on his bell-jar but nothing moved! He tried again and again and again However, nothing happened. "I give up" said Barnabus sadly. Suddenly, a tiny crack appeared, Barnabus noticed the crack, he ran side to side bashing the bell jar. The tiny crack got bigger and bigger and bigger until SMASH! the bell jar broke. "I'm free, I'm free, I'm free" shouted Barnabus happily.

The failed pets cried out in joy then asked for help from Barnabus. Barnabus went to help the other pets escape. He ran into the bell-jars one by one, it got easier and easier with each toppled bell-jar. All of the failed pets jumped out of their jail like homes "finally we are free!" said the failed pets excitedly. As the failed pets made their way through the laboratory, they spotted a giant failed pet, which they chose to go and save. The door swung open and water flooded in, it pushed the failed pets up, up, up into the perfect pets shop. The failed pets hurried to the open door where freedom waited for them. Finally they were adopted and able to live a happy life.

Maths

Please practice your 3 and 4 timetables – this can either be done on TTRockstars or the sheet below.

Testing: **3×**, **4×**

$7 \times 3 = \underline{\quad}$

$3 \times 4 = \underline{\quad}$

$3 \times 9 = \underline{\quad}$

$4 \times 6 = \underline{\quad}$

$4 \times 8 = \underline{\quad}$

$2 \times 4 = \underline{\quad}$

$4 \times 3 = \underline{\quad}$

$11 \times 3 = \underline{\quad}$

$10 \times 3 = \underline{\quad}$

$3 \times 8 = \underline{\quad}$

$3 \times 2 = \underline{\quad}$

$5 \times 4 = \underline{\quad}$

$6 \times 3 = \underline{\quad}$

$1 \times 4 = \underline{\quad}$

$3 \times 4 = \underline{\quad}$

$9 \times 4 = \underline{\quad}$

$4 \times 10 = \underline{\quad}$

$3 \times 5 = \underline{\quad}$

$8 \times 4 = \underline{\quad}$

$12 \times 4 = \underline{\quad}$

$3 \times 3 = \underline{\quad}$

$3 \times 10 = \underline{\quad}$

$1 \times 3 = \underline{\quad}$

$7 \times 4 = \underline{\quad}$

$11 \times 4 = \underline{\quad}$

$9 \times 3 = \underline{\quad}$

$8 \times 3 = \underline{\quad}$

$3 \times 7 = \underline{\quad}$

$3 \times 1 = \underline{\quad}$

$12 \times 3 = \underline{\quad}$

$4 \times 2 = \underline{\quad}$

$6 \times 4 = \underline{\quad}$

$4 \times 11 = \underline{\quad}$

$5 \times 3 = \underline{\quad}$

$10 \times 4 = \underline{\quad}$

$4 \times 9 = \underline{\quad}$

$3 \times 6 = \underline{\quad}$

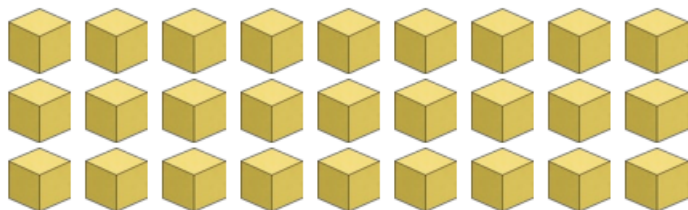

$3 \times 11 = \underline{\quad}$

$2 \times 3 = \underline{\quad}$

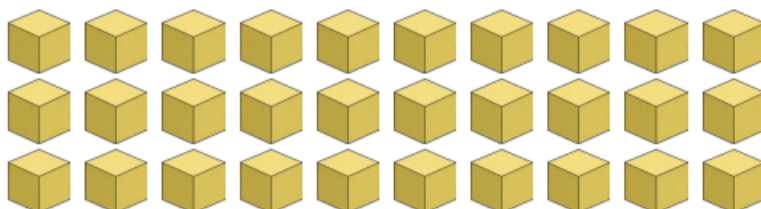

$4 \times 1 = \underline{\quad}$

Using your knowledge of the 3 timetable solve the following division questions.

- 1) Divide the cubes into groups of three. How many groups do you have?
Write a calculation to match your model.

- 2) Divide the cubes into three equal groups. How many cubes are in each group?
Write a calculation to match your model.

- 3) Miss Bell's class are split into groups of three for their PE lesson. There are 33 children in total in the class. How many groups would there be? Complete the bar model to show your answer.

33

- 4) For lunch, the kitchen serves three sausages per person.
If 45 vegetarian sausages are cooked, how many people will this serve? _____

Topic

Our topic is Ancient Egypt. Last week we looked at the river Nile and all it gave to the Ancient Egyptians.

Your task is to make an information poster to show why the river Nile was so important to them. Add information to each section of your poster using words and pictures.

Egypt was the “Gift of the Nile” because the Nile brought the Egyptian civilisation so many natural gifts.

- Fertile soil for farming
- Transport
- Trade
- Clothing
- Bricks for building
- Protection from invaders

Gift of the Nile Posters

Fill in each section with information about what the Nile provided to the Egyptians.
